

# MENU UPDATE

Due to dramatic global price increases over recent months, local businesses are, unfortunately, being impacted just as dramatically.

As a result, we have implemented a price increase of all menu items by roughly 10 percent. We have worked hard at keeping our prices as low as possible and promise to continue to provide thoughtfully prepared meals without any compromise on quality.

We thank you for your continued support and understanding as we all navigate our global economy's impact on a local level.

If you have any questions or concerns, please email us at [info@blackberry.cafe](mailto:info@blackberry.cafe)
